

## ITEMS AT RIVERMEAD THAT EVENTUALLY WILL BE RE-LOCATED TO MY CHEST OF MEMORIES

**Number:** First is the number in the Chest of Memories FileMaker Pro database. The second is the Number in the Excel “Movable Furniture & Fittings” database. (The Alpha refers to the room the item is located in.)

**Note:** The only items in Unit 2, 8 Main Street (Library) that could selectively go into the Chest of Memories are the various genealogical files that are in the bookcases in the Kitchen/Front Room and in the metal files in the Closet.
