Hello Jenna,

Thanks for reminding me. I'm re-organizing after my time in Norway.

I will get something to you before the end of the week.

Regards,

Rob,

Just checking in on the Meetinghouse project. A month or so ago we spoke about the potential for excess funds from the roofing project being applied to some cosmetic work on the tower. Our Board meets at the end of June so if you would like to request an increase to the original scope of work please submit a written request to my attention by the end of this week.

Let me know how you'd like to proceed and I'll send you additional information if necessary.

Jenna
