Thanks very much, Rob. I share the scope of work and the stewardship plan with staff at DHR – not donor information. I appreciate your conscientiousness to respect the privacy of your contributors.

Subject: Revised First Submission LCHIP Jaffrey Meetinghouse Tower Project

Hello,

The document “First Submission.pdf” that I sent out yesterday was complete and correct in all respects.

However, since sending it I thought that it would be better not to include the names of individual donors to the project but, for privacy reasons, list them all as anonymous.

This information appears in “F. Proof of Match Funds”

I have made this revision and include the sheet in question and the entire document as well.

If you forward this submission on to others please use the revised version below.

Regards,

Rob
