Hello,

There are some dates in the Tower project Timeline (http://www.rs41.org/Meetinghouse/tower%20timeline.htm) that are from the first LCHIP project (roof):

		TBD	LCHIP approves Due Diligence and agrees construction can proceed.
		TBD	Notice to Proceed signed by winning bidder & Town Manager.
		TBD	"Project in the Works" sign (if provided) installed.

1 & 2) Has LCHIP approved Due Diligence and agreed that construction can proceed?
3) Will a sign be provided?

Work is due to start before the end of this month (March). Are there any approvals needed from LCHIP or NHDHR befo this happens?

Regards,

Rob
