Hello Brad,

You will have received the e-mail below from Mike Petrovick.

Todd Croteau and I have just now discussed it during a phone conversation and are of the opinion that you should proceed with retaining Phil D'Avanza to undertake the work as outlined in his recent proposal. This constitutes permission from the Town of Jaffrey. The additional cost will be covered by the Town.

Todd has or will call you to confirm this.

Regards,

Rob

PS: Please let me know when Phil will be on-site as I want to be there part of the time that he's present.

Phil confirmed he had noted to the town when he last worked on the clock dials/faces that the hands would require replacement next time as he felt they were possibly original and had been repaired many times and are deteriorated beyond reasonable repair at this point.
