Hi Mike,

Here's what I have from the roof project:

FW Lightning
Protect...se.pdf

Lightning
Specs.doc

At least this gives you the name and contact information. I must have some more somewhere but perhaps this is enough.

Re the Timeline. I sent it on June 9th but looking at it I sent it to your old e-address. This has happened before. That e-address is no longer in my Address Book but when I start typing Mike in the address line the old address comes out of nowhere from some hidden depths of my computer. It doesn't get bounced back so who knows where it ends up, presumably not to you. If I type Michael the current address appears. In other words, I have to be careful to check the address each time.

Regards,

Rob

Can you provide the vendor who has tended to the lightening protection system at the Meetinghouse?
