Hi Mike,

The new cedar hands are in production.

Minute/hour marks are gilded.

Two sets of numerals are gilded.

Final 2 sets will be gilded when new hands are primed as there is a 3-day dry time for the primer.

Thank you,
Phil

Subject: Aluminum vs wood Clock hands - Jaffrey Meetinghouse

Hello Mike,

Your letter of July 8th with attachments has been received
(see <http://www.rs41.org/Meetinghouse/tower%20e-mails/7-8-22.pdf>)

As you may recall the decision was made on June 30 to proceed with wood hands
(see <http://www.rs41.org/Meetinghouse/tower%20e-mails/6-30.2-22.pdf>)

Unless there is any new reason to reverse this decision, it should stand.

Regards,

Rob
